May 2025

What a joy for us to return and be a part of the Youth Camp 2025 in Panama. I've learned from experience to expect the unexpected when in a foreign country. Because of some unforeseen water issues days before camp date, this year's camp was moved to the San Carlos District. Thanks to God and Bro Lisandro's diligence, we were able to secure a place for camp. Heavy rain interrupted some morning sessions and dealing with water and electrical issues may have been trying at times, but it did not dampen the spirits of the campers as everyone worked together for a great camp. We praise God for all the new campers that came this year.

Brother Ethan preached with a great anointing each night. It was wonderful to see people respond to the altar call and pour out their hearts to the Lord. Brother Lisandro reported several being saved and filled with Holy Ghost, as well as a couple of backsliders coming back to God. We are so grateful that God moved in a mighty way throughout the services.

We were so blessed to have 13 of our pastors there with us this year as well. Most traveled from the islands in Kuna Yala and some from the jungle. They were a great help praying for those in the altars. It touched our hearts to watch as they were blessed as well. Please continue to pray for them as they labor in God's kingdom.

We were able to purchase and pass out more Bibles again this year during camp. Many young folks were so thrilled to receive a Bible. We pray that they will hide God's Word in their hearts. We also were able to pass out hundreds of gospel tracts to people in shopping centers and on the streets thanks to Brother Smith!

We are so grateful for those who contributed with finances and prayers for this wonderful and worthy endeavor. May God bless each of you.
Bro Richard Binkley
